

# Midd FGSU Interest Form

Welcome to Middlebury First-Generation Student Union (Midd FGSU)!

Midd FGSU advocates for first-generation, low-income (FGLI) students at Middlebury, connects students with resources, and promotes dialogue about socioeconomic differences.

The vision of Midd FGSU is to extinguish the stigma associated with being a first-generation and/or low-income student on campus. By embracing this characteristic that has helped to shape our perspective and identity, we can support each other more, create a strong community of FGLI-identifying students on campus, and allow Middlebury to feel more like home! Not only will this club help FGLI students acclimate to life on campus, but it will also help students prepare for life after Middlebury.
